REPORT OF FROST FREE LIBRARY

To the president and trustees of Frost Free Library, the secretary submits the following report for the year ending August 23, 1930.

The meeting was called to order by the president, Rufus I. Frost

Prayer was offered by Rev. H. J. Foote.

The secretary's report was read and approved.

The report of the librarian was read and accepted.

The treasurer reported the receipts of the year as follows: Cash on hand for 1930, \$450.23; received through the year, \$501.86, making \$952.09; expenditures, \$511.40, leaving a balance in the treasury, \$440.61.

The auditor's report was read and accepted.

No definite report was given on the lawn, although there was some discussion about it.

The following officers were elected: President, Rufus S. Frost; vice-president, Mabel F. Page; secretary, Carrie Whitney Webb; treasurer, Fred D. Hemenway; librarian, Elfreda K. Cheeseman; auditor, Rev. H. J. Foote.

The executive committee elected to serve were as follows: Walter Buckminster, Ernest Flint, Mrs. Mabel F. Page, Rufus S. Flint and Rev. H. J. Foote.

The sum of \$100 was voted for the purchase of new books and Mabel F. Page and Carrie Whitney Webb were to serve as the book committee.

Adjournment.

CARRIE WHITNEY WEBB,
Secretary.

LIBRARIAN'S REPORT

To the president and trustees of the Frost Free Library, the librarian submits the following report for the year ending August 20, 1930.

The library has been open 94 times, with a total circulation of 132 books; 2,796 of which were adult fiction; 1,758 juvenile fiction; 443 adult non-fiction and 135 juvenile non-fiction. The total circulation of magazines was 3,376.

The splendid set of Olive Beaupre Millers children's books, consisting of "My Bookhouse", (in 6 volumes), and "My Travelship," (in 3 volumes) was purchased from the library fund.

The library (through the library fund), has become a member of the Literary Guild, and the Junior Literary Guild, thereby receiving 5 new books every month; one for adults and four for children.

The four children's books are selected in the following manner: leading publishers submit their future boys' and girls' books in manuscript form to the Junior Guild editors. These seven specialists of children's reading select four books each month from the dozens of juvenile books being published. They choose one book for each of the four reading ages: boys and girls, 6, 7 and 8 years old; boys and girls 8, 10 and 11 years of age; boys 12-16; girls 12-16.

In addition to the above books, seven have been donated by Mr. and Mrs. Charles Webb, and three by Mr. Charles Laurendeau. Their thoughtfulness in remembering the library is certainly appreciated by all, and I wish at this time to thank them for their gifts.

The same varied assortment of 35 magazines is still to be found on the tables, although no new ones have been added this year.

FINANCIAL RECEIPTS

Cash on hand September 18, 1929,	\$3 03
Received from sale of magazines,	3 40
Received from cards and fines,	14 75
	<hr/>

Respectfully submitted,

FRED D. HEMENWAY,

Treasurer.

REPORT OF HEALTH OFFICER

The town has been practically free from any contagious disease the past year. We have had a few complaints and have had to clean up some rubbish from the side of the road.

The town is furnishing a public dump for the people to use, but they are not to dump any perishable material there.

Under the direction of the State Board of Health, twenty-two children of pre-school age were given a complete physical examination by a physician. Of these, two children had no defects, while twenty children were found to have one or more defects. The defects included enlarged adenoids and tonsils, anaemia, bow legs, atresia of ano, heart murmur, enlarged glands, phimosis, tongue tie, underweight, umbilical hernia, poor posture.

L. G. HILDRETH, M. D.,
Health Officer.

NURSING ASSOCIATION REPORT

The Marlborough Community Nursing Association submits the following reports for the year ending Dec. 31, 1930.

Our association has had a good year, following the routine duties. No outstanding incidents have occurred, but the usual program has been carried on.

A membership drive was held in October under the leadership of our first vice president Mrs. Elizabeth Mason. Taking into consideration the lack of employment everywhere prevalent and consequential lack of funds, it was a very successful one. It proved to us the fact that our association is close to the hearts of our citizens.

We wish to thank every organization and individual who have in any way helped us in our work. Our continued existence still depends on each and every member of our Marlborough family.

A careful perusal of our treasurer's and nurse's report is solicited.

Respectfully submitted,
RUTH E. HEMENWAY,
President.

VISITING NURSE'S REPORT

The report of the visiting nurse is as follows for year ending Dec. 31, 1930:

As usual we held our pre-school clinic May 1st, on "National Child Health Day". Dr. W. E. Taylor, Keene, N. H., was examining physician, assisted by Miss L. M. Clark, R. N., of State Board of Health. Other nurses assisting were Mrs. Edgar Robinson, R. N.; Mrs. Irene Ward, R. N., and Eva Burke, R. N., Mrs. Rose Lang as hostess; Mrs. Mabel Page, transportation. Refreshment committee of Woman's Club, Mrs. Mabel Harris, Miss Dorothy Harris and Mrs. Nellie Erikson. 20 children examined and reports to parent or guardian.

The annual medical inspection of school children by Dr. L. G. Hildreth is reported in school report. The report of dental clinics will be found in same report, also underweight clinic.

We are indebted to the following for transporting children to clinics: Mrs. Sadie Hart, Mrs. Chessie Brown, Mrs. Mabel Page, Mrs. Ralph Pierce, Mrs. Frank Demers, Mr. Wm. Coutts, Mr. Edw. Beauregard, Mr. Eugene Trombley and Mr. Wm. Whitecomb.

To the American Legion Welfare Committee, Community Xmas Association and Legion Auxiliary, we graciously acknowledge our indebtedness, and to the staff of the local telephone exchange.

Respectfully submitted,

EVA J. BURKE, R. N.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Marlborough:

I herein submit my eighth annual report as superintendent of schools.

Herbert Spencer told us many years ago that "to prepare for complete living is the function which education has to discharge; and the only rational mode of judging of any educational course is, to judge in what degree it discharges such functions."

Today this definition implies not only a knowledge of the "Three R's, a reasonable accuracy in the fundamentals, a workable habit in the mechanics and skills of knowledge but also an adjustment to conditions which prevailing isms and a machine age have brought upon us.

The propaganda in the form of various isms which are attacking our institutions can be successfully met only through education. The rising generation must have its intellectual activity aroused and strengthened through the habits of cogent reasoning. Pupils must be taught to think. Teachers must not be content with the **when, where** and **what** but more attention must be placed on the **why**. That is, factual questions alone will not accomplish our ends but we must rely more on reasoning projects rightly directed. The walking encyclopedia of facts is not the educated man of today. For often the facts of the Past become the untruths of the Present, especially in science.

Again, the need for training for leisure has been forced upon us during the last year more strongly than ever before. The unemployment situation is provocative of our most serious

consideration. Labor, today, is calling for the eight-hour day and the five-day week and machines are doing the work that was done by human brain and muscle. What will the rising generation do with their leisure time? How can we train the young so that they can utilize their leisure in beneficial rather than in detrimental ways? How can our pupils be taught to be appreciative and to gain enjoyment from reflection, meditation and thought instead of eternally seeking nervous excitation, so-called thrills? How can we cultivate in our leisure time an appreciation of the culture that we have inherited from former ages and is available for all of us in literature, in art, in music, in architecture and in the beauty and mystery of nature? These are questions which challenge our best intelligence and thought.

MARLBORO HIGH SCHOOL

Headmaster Ralph H. Bissell submits the following report:

"The following is a report of some of the activities in the Marlboro High School.

"The enrollment in Senior High School is 60; 27 boys and 33 girls. Junior High 66; 38 boys and 28 girls. For the last ten years the enrollment in Junior and Senior high has been slowly increasing.

"The High School is offering two courses of study. The classical course which prepares a student for college and the commercial course which prepares for a business life.

"The greater number are at present time enrolled in the commercial course.

LITERARY AND SOCIAL ACTIVITIES

"Education means more than simply book knowledge. We must develop the ability to cope with the outside world and with our fellow workers. The school attempts to do just this through its varying literary and social activities.

"The school play, 'Good Evening Clarice', which was given this year met with success.

"School assemblies are planned to commemorate the more important historical events and lives of great men who have helped to make us and our country what we are. The pupils take part in these activities, thus developing their abilities.

"The High School has shown its musical talent through its Orchestra.

"The social life of the school is not neglected, for both the Senior High and Junior High have enjoyed Christmas parties. The customary Freshman initiation occupied a part of the High School party.

"A valentine party was enjoyed by the Junior High. Entertainments are planned in which the pupils have an active part.

"Thus, through varying activities, the intellectual, emotional and creative elements in the pupils are awakened and confidence is developed. The pupil gains thereby through its literary and social life in connection with his daily school work.

ATHLETICS

"The basketball season of 1929-30 was the most successful season in the history of athletics at the Marlboro High School. The team lost three games and won nineteen. The Monadnock interscholastic race was close but our boys' team came through a winner and with the honor came a cup, now the property of the school. The boys' team was also one of four teams over the state to take part in the University of New Hampshire tournament, finishing second. The girls' team was not so fortunate in games won and lost, but played many close and interesting games.

"The pupils of both High and Junior High have shown increased interest in basketball. At the present time there are sixty boys and girls taking part in the sport or about one out of two enrolled in Junior and Senior High.

"The baseball season of 1930 was an average year. Our team won half the games played.

HIGH SCHOOL GRADUATION

"On the evening of June 20, a class of twelve was graduated from Marlboro High School. The exercises were on par with those of previous years. The graduates were as follows:

Gunther Blombach	Lempi Kauppi
Agnes Demers	Wilfred Morin
Josephine DeMange	Walter Mattson
Cleo Frechette	Lucy Nason
Rosamond Hart	Norma Purple
Waino Kauppi	Edith Wiswall

"Of the graduates three are entered at the University of New Hampshire; three are training for the profession of nurse; one is in stenography work and one is attending business college."

MUSIC

Mrs. Mildred H. Whitecomb, Supervisor of Music, submits the following report:

"We strive, first of all, to stimulate interest in and love for good music and the desire and ability to sing. That each child may be able to do this we give special attention to those young children who are unable to sing correctly, and it is gratifying to see them joining the singing class so that usually by the end of the third year, if not earlier, all are singers unless prevented by some mental or physical deficiency. We try to develop sweet, pure, natural tones, without which there can be no beautiful singing. Songs, relating to the experiences of children, comprise the greater part of the work in the first three grades, being taught mostly by rote, though the reading of very simple ones is begun the latter part of the second year.

"With the song and vocal training is carried on a course of theoretical study for each grade. It includes tone memorizing, scales, keys, chromatics, seven time motions, common and

compound time, major and minor modes,—all of which is accomplished by the end of the sixth year. Much of this is done by pupils in note and other writing. The sixth grade has had opportunity to compose a melody for given words of a very simple nature. Individual singing and ear training we consider very important. Two-part singing is introduced the latter part of the fourth year and three parts in the sixth grade.

“Music Appreciation is being taught, embracing a study in rhythm, ‘descriptive’ music and mood. The Toy Orchestra in primary grades is accomplishing much in this line. The study of folk music is correlated with history and geography, and a special course in the ‘History of American Music, is being undertaken by the fifth and sixth grades. After studying and listening to music of the Indians, Pilgrims and later inhabitants of this country, the pupils write and illustrate papers on the subject. The Victrola and records are invaluable.

“Considerable interest is being shown in the Harmonica Club for fourth, fifth and sixth grades.

“The musical training in the Junior High School and High School is confined entirely to chorus groups and orchestral work. The Supervisor hopes that sufficient interest will be taken by pupils for individual instrumental training that the High School Orchestra may not suffer a severe loss with the going of some of its players.

“It is with gratitude for the support and cooperation of teachers, superintendent, school board and individuals that this report is submitted.”

PROMOTIONS

The following numbers of promotions per grade to the next grade were made in June:

Grades,	I	II	III	IV	V	VI	VII	VIII	IX	X	XI	XII
Village,	23	41	31	26	40	43	24	15	17	15	16	12
Wallace,		2	2	2			2	1				
Totals,	23	43	33	28	40	43	26	16	17	15	16	12

These promotions were made on the five point basis, viz: regularity of attendance, term rank, standard tests, judgment of teacher and judgment of superintendent.

Stanford Achievement Tests were given. Test V was given at mid-year and test W was given at the end of school year. Also the Otis Standard Graduation examination for elementary schools was given to the eighth grade. The pupils with few exceptions maintained creditable standing in their respective grades.

Judging from the impression received on frequent visits of inspection and from results obtained with standard tests, I feel safe in saying that the teachers have maintained their usual reputation for efficiency in teaching and results in drill work.

The results in all tests showed a normal years' growth in mental attainment, the classes well graded, and pupils in their right grades.

The departmental teaching, introduced into Junior and Senior High last year, has been continued the present year and shows a decided improvement in the work accomplished.

The teachers, both in high and elementary schools, have been co-operative in their work, and at time of writing, judging from the progress of the respective grades, I can prophesy a successful year.

CHANGES IN THE TEACHING STAFF FOR YEAR 1930-1931

Three changes were made in our teaching staff as follows:

Miss French having resigned, Miss Virginia Fairbanks, a graduate of Keene Normal four year course, was elected to the Junior High.

Miss Copp having resigned in order to take up advanced University work, Miss Eleanor Barnett, a graduate of Wheaton college, was chosen instructor in Latin and French.

Miss Norma Atwood having resigned to accept a position in the Keene schools, Mrs. Elizabeth Arsenault, a graduate of Keene Normal, was assigned to the Wallace school.

NEW STATE COURSE OF STUDY FOR ELEMENTARY SCHOOLS

The new State Course of Study was placed in the schools last September. This course is an improvement on the old course, more extensive, more teachable, and will give a more unified and standardized course throughout the state.

In conclusion, I wish to thank the school board, teachers, parents and citizens for their co-operation and support.

Respectfully submitted,

FREDERICK T. JOHNSON,

Superintendent of Schools.

Marlborough, N. H., Feb. 18, 1931.

REPORT OF SCHOOL NURSE

To Mr. F. T. Johnson, Superintendent of Marlboro, N. H., schools, the following report is submitted:

Dr. L. G. Hildreth made his annual physical examination of pupils of the Village School, Wallace School and elementary grade at the Chapel. There were 311 pupils examined and 14 absent. Of those examined 45 were 10% under average weight. Since last examination 21 had tonsils and adenoids removed, 10 had secured glasses, 1 receiving cardiac treatment and 3 had been vaccinated. There are 47 pupils with defective vision.

The dental clinic was conducted at the school by Dr. G. A. Danforth of Manchester, N. H.

Total number treated,	117
Pre-school,	5
Adults,	39
Pupils,	73
Number amal. fillings for pupils,	117
Number porcelain fillings for pupils,	36
Number extractions, temporary teeth,	32
Number extractions permanent teeth,	3
Cleaning,	56
Pupils paying full cost,	53
Pupils free care,	13
No. of hours nurse in attendance, 102 hours.	

An underweight clinic was conducted Nov. 14, 1930 by Dr. R. B. Kerr, state chest specialist of Manchester, N. H., assisted by Miss Mildred Gage, R. N., County T. B. Nurse and Misses Marie Erikson, Helen Hakala, clerks; Eva J. Burke, R. N.

Pupils examined,	73
Old patients,	46
New patients,	27

OLD PATIENTS

With heart and lungs negative, 42
 3 patients not improving; 5 improving; 3 advised to visit
 Orthopedic clinic.

NEW PATIENTS

Normal,	15
Enlarged tonsils,	8
Teeth,	2
Orthopedic,	1
Cardiac,	1
Suspicious,	1

During the year three groups were taken to Keene for
 T. and A. operations, equals 13 pupils.

Two to Orthopedic clinics.

8 pupils given surgical dressings.

10½ hours weighing and measuring pupils.

Visits to six pupils.

We are grateful to the Superintendent of Schools, to the
 school board, teachers and parents for their co-operation in
 making the clinics a success.

Respectfully submitted,

EVA J. BURKE, R. N.

--	------------

For salaries of district officers, superintendent's excess salary and other expenses of administration,	600 00
---	--------

For music, insurance and new equipment,	800 00
---	--------

RAY E. TARBOX,
CHARLES F. WEBB,
WILLIAM COUTTS,
School Board of Marlborough.

REPORT OF SPECIAL COMMITTEE ON SCHOOL ROOM CONDITIONS

MARLBORO SCHOOL DISTRICT

Marlboro, N. H., October 14, 1930

Report of Committee appointed under Article 9th of School Warrant, at the Annual Meeting of the School District, of Marlborough held March 11th, 1930.

Your Committee has held ten or more meetings, a majority of the Committee being present at each meeting. Mr. Frederick Johnson, Superintendent of Schools was also present at most of the meetings, and has been of great help to us in giving figures requested, and answering questions asked by us.

On May 12th a meeting of the Committee was held at the School-House while School was in session. An inspection of each room was made. A fire drill was given, without previous knowledge on the part of the pupils, and the building was cleared in fifty seconds.

On May 27th, the Committee with the exception of two who could not go, visited the High School Buildings in Hillsboro, Goffstown and Wilton. At Henniker we inspected the new High School building under construction. In each place visited the Committee was courteously received by the Superintendent or Principal, and every facility given for inspecting the Schools while in session.

At the May 23rd meeting, Mr. Pringle, State Superintendent of Schools was present at our request, and answered many questions put to him by the Committee, in regard to our own problem, and in regard to conditions throughout the State. He gave us the following facts. The total number of High School pupils in the state have increased from 12,000 to 16,000, and

that most of the 4,000 increase have been those taking either Commercial, Domestic or Mechanic Arts courses. That no High School in the State has been falling down in attendance. That a modern High School tends to build up a Town. That the interior arrangements for High and Elementary Schools are entirely different. Mr. Pringle stated that Marlboro aside from financial reasons could not afford to send her High School pupils to Keene.

At the June 17th meeting, Mr. C. R. Whiteher of Manchester, an Architect who has had wide experience in erecting High School buildings in this and other States, was present at our request. He inspected our present School Building, and was taken to the Universalist Church to see if that could be utilized. He gave it as his opinion that it could not be made to solve our problem. Mr. Pringle had also given us the same opinion. At the meeting of September 11th Mr. Whiteher was also present, and submitted a sketch, which he thought would be suitable for a High School building for us if it was decided to erect a new one.

In our inspection of our present building, we found crowded conditions in several grades. In the 2nd, 3rd and 4th grades, we found old style seats so inadequate to the pupils occupying them, that in several instances it seemed to the Committee it must be injurious to the health of the scholars obliged to sit in them. In some of the rooms one class has to recite while another tries to study in the same room. It was stated to us that the ideal condition is one grade to a room, and that the Junior high and High should be in a separate building from the others.

Our investigations show the following figures.

The population of Marlboro, has increased 126 in the last decade.

There are 275 persons owning homes in Marlboro, not counting non-residents, nor those who own more than one.

In 1912 Junior high had 3 Pupils—Senior 35—Total 78.

- In 1922-23 Junior high had 51 Pupils—Senior 43—Total 94.
 In 1923-24 Junior high had 52 Pupils—Senior 50—Total
 102.
 In 1924-25 Junior high had 53 Pupils—Senior 50—Total
 103.
 In 1925-26 Junior high had 54 Pupils—Senior 61—Total
 111.
 In 1926-27 Junior high had 62 Pupils—Senior 54—Total
 116.
 In 1927-28 Junior high had 59 Pupils—Senior 64—Total
 123.
 In 1928-29 Junior high had 47 Pupils—Senior 70—Total
 117.
 In 1930 Junior high has 67 Pupils—Senior 69—Total 136.
 From 1912 to 1930 inclusive there has been a gain of nearly
 100% in the Senior High.

The total pupils in 1919 was 257, 1921-22—283, 1923—301,
 1924—310, 1925—342, 1926—357, 1927—339, 1929—349, 1930
 —338.

The 1930 total is made up as follows: Wallace district, 13,
 Grade 1—26, Grade 2—22, Grade 3—41, Grade 4—34, Grade 5
 —28, Grade 6—38, Junior High, 67, Senior High, 69.

At the present grade 1 is in the Chapel, which is temporary
 arrangement and costs about five hundred dollars per year to
 maintain. We are told if the Wallace School could be discon-
 tinued and the pupils brought to the Village, a saving of nearly
 seven hundred dollars per year could be made.

It seems to your Committee that more scholars desire a
 High School education each year, and we feel such will con-
 tinue to be the case in the years to come. After considering
 our problem from many angles and looking into different pro-
 positions to solve it, giving weight to the opinion of Superin-
 tendent of Schools Mr. Pringle and the Architect Mr. Whitcher,
 we have come to the conclusion, that the only way Marlboro
 can permanently meet the situation, which we feel is the most
 economical way in the end, is to erect a new building.

We recommend that a new Building be erected for the
Junior High and High Scholars.

Signed :

(SCHOOL WARRANT)
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School district in the town of Marlborough qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the tenth day of March, 1931, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
7. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

8. To see whether the District will vote to construct a school building and acquire land therefor and what sum it will raise for that purpose and in what manner, either by bonds or by taxation.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Marlborough, this 21st day of February, 1931.

(TOWN WARRANT)

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Marlboro in the County of Cheshire in said state, qualified to vote in town affairs:

You are hereby notified to meet at Town Hall in said Marlboro, on Tuesday, the tenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to accept State Aid on its highways, the Town to raise \$1,852.50 and the State to give \$1,852, raise and appropriate for the same or act in any manner in relation thereto.

4. To see if the Town will raise the sum of \$3,000.00 against \$4,500 by the State for Trunk Line maintenance or act in any manner relating thereto.

5. To see if the Town will raise the sum of \$300.00, the State to raise \$450.00 for State Aid Maintenance or act in any manner relating thereto.

6. To see what sum of money the Town will raise for construction or repair of sidewalks or act in any manner in relation thereto.

7. To see if the Town will vote to raise the sum of \$400.00 for the purpose of exterminating the Pine Blister Rust, or act in any manner relating thereto.

8. To see if the Town will raise a sum of money for repairs, water storage, equipment, supplies and other expenses of the Fire Department.

9. To see what sum of money the Town will raise for the support of Electric Lights.

10. To see if the Town will grant the free use of the Engine Hall to the Clarence J. Croteau Post of the American Legion.

11. To see if the Town will vote to raise the sum of \$1,200.00 to aid the Community Nursing Association or act in any manner relating thereto.

12. To see what sum of money the Town will raise for Memorial Day.

13. To see what sum of money the Town will raise for Old Home Day.

14. To see if the Town will vote to accept the funds for Perpetual Care of Cemetery lots received since January 31, 1930.

15. To see if the Town will vote to use the income of the C. C. Ward Legacy or Trust Fund for the purpose of building or constructing cement sidewalks, or act in any manner in accordance with the same.

16. To see if the Town will purchase a tractor for the Highway Department or act in any manner relating to the same.

17. To see if the Town will vote to discontinue the Old Highway leading from the road near the Samuel Clark farm, so-called, to the property of C. L. and F. C. Bemis, providing a right of way is given by Frank S. Farnum, the present owner of the property, to the C. L. & F. C. Bemis property for all necessary travel.

18. To see if the Town will repair, resurface and oil a section of the Highway leading from Bridge Street to the house of George H. Hill, raise and appropriate money or act in any manner thereto.

19. To see what action the Town will take to provide water for Fire Purposes, raise and appropriate money for the same or act in any manner relating thereto.

20. To see if the Town will authorize the Selectmen to borrow on the credit of the Town in anticipation of taxes.

21. To hear the reports of Town Agents or committees or other officers heretofore chosen or appointed and pass any vote relating thereto.

22. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and thirty-one.
